"ALMA MATER"

Where Chilhowee's lofty mountains
Pierce the southern blue,
Proudly stands our Alma Mater,
Noble, grand, and true.

Chorus

Orange, Garnet, float forever,
Ensign of our hill!
Hail to thee, our Alma Mater,
Hail to Maryville!

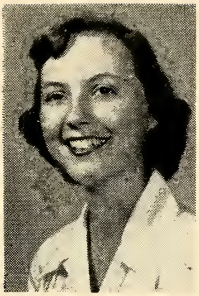
As thy hilltop crowned with cedars
Evergreen appears,
So thy memory fresh shall linger
Through life's smiles and tears.
Lift the chorus, wake the echoes,
Make the welkin ring!
Hail the queen of all the highlands!
Loud her praises sing!

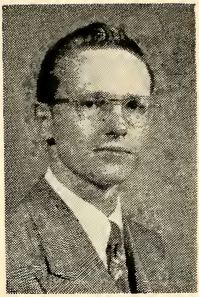
FIGHT SONG

"On Highlanders"

(Words and Music by Charles Huffman, '49)

On, Highlanders, down the field,
Rolling up a high score!
Tear into the end zone.
Smash on through that line,
Highlanders!
Send a rousing cheer on high.
And our boys will shine.
Come on and fight, fight, fight!
Come on and fight, fight, fight!
For dear old Maryville!





Welcome to the Christian fellowship "on the Hill" and to a pioneer year in cooperation between the Y. M. and Y. W. C. A. We are counting on you of the new ideas, new interest, and new enthusiasm to become a real part of our organizations.

Together we want to aim at a two-fold purpose. First SEEKING growth in our understanding of God and his meaning in our lives, and second through SHARING with the entire campus through worship, Barnwarming, intramural sports, and our annual Y hikes to the mountains. Our sharing community-wide can be developed through the Community Service program, our inter-racial work and cooperation, Home Avenue Missions, Y Radio and Artists Series.

There is a place for you to fill in one of the Y's on Maryville campus wherever your interests lie. It can be a place of fun, fellowship, searching, and growth. We invite YOU to make it be so.

Sincerely,
Wody and Ethelyn

The "M Book," as all on the campus call it. is a very useful volume, as all soon discover. I am glad to say a word of greeting each year through it to those who return for a new college year and especially to those who come for the first time.

You have decided to attend Maryville College, believing that it provides a combination of values which you desire. I hope that this expectation may in your experience be confirmed increasingly as long as you are in college.

To make this come true, the officers and teachers of the College must do their part, and you must do yours. You have elected to come because Maryville is Maryville. A college, like an individual, has its own character and personality. It is a mistake to expect it to be just like other colleges one happens to kno, or like institutions, large or small, of different character and personality.

If you enter into the life and work at Maryville with conscientiousness and enthusiasm, you will find most of the values you seek. A sincere welcome from us all.

TRADITIONS

To those who have spent at least one year on Scotty Hill there are many activities and traditions of which we have become very fond. They are the things, big and little, that are as much a part of Maryville College as the ever familiar Anderson Tower. We know that it will not be long before you too will treasure the traditions of Maryville College.

Your first few days at Maryville will be remembered as days of lines—lines at the Personnel Office, lines at the Treasurer's Office, lines at the Bookstore. Then comes the longest and long-remembered line, the line which is somewhat different in dress and procedure to all the rest. Your dress is formal; your handshake firm; and your smile is your brightest. All this leads to the FACULTY RECEPTION. There will be new faces and new names which will grow to mean a great deal to you during and long after your college years.

During the first weeks on the campus you new students will surely feel as though you have been waited for. The four campus societies go all out to pledge you to their organizations. The activities range from teas, stag parties, fashion shows, splash parties to a climactic musical production. All these activities make up what was so correctly named, RUSH WEEK.

TOWN NIGHT plays a very important part in the life of M. C. students. This is the night when couples may go down town for a movie, bowling, skating, or just for a snack.

Sunday is a quiet day on the hill; for a program of inspiration and worship you will want to attend VESPERS. A guest speaker and the music of the Maryville College Choir is the program every Sunday evening at 7:00 in the Samuel Tyndale Chapel. For more fellowship STUDENT VOLS meets at 8:00 in Bartlett Hall.

Noted guest artists are heard in the ARTISTS SERIES. The series will consist of four concerts, two each semester. In the past we have heard Charles Laughton, The Don Cossack Chorus, Cornelia Otis Skinner, Nelson and Neal, and many others.

FOUNDERS AND HOMECOMING DAY begins with a very dignified chapel service to commemorate the founding of the College. During the day many alumni visit the gaily decorated dormitories while the students prepare for the thrilling Homecoming parade. To end the day's activities a very lovely senior girl is crowned Homecoming Queen before the crowded stands of football enthusiasts.

Thanksgiving is one holiday we will celebrate as a college family. Thanksgiving evening in the Alumni Gym is the time and place for the show of the fall BARNWARMING activities start with visits to little booths and shops. As the lights dim the master of ceremonies introduces the Barnwarming court and royalty.

Each year, in memory and in tribute to one of Maryville's outstanding and beloved graduates and for the advancement of missionary endeavors in some foreign land, the students are asked to contribute to the FRED HOPE FUND. You will want to share in this very worthwhile effort.

The Vesper Choir, All-Girl Choir, and Men's Glee Club form the backbone of the chorus of about two hundred which presents the ever-inspiring oratorio by George Handel THE MESSIAH In the midst of the Christmas rush you will want to take time out for this annual presentation.

Everyone is anxious to return to campus after a very busy Christmas vacation. Soon after your return there comes a shift in emphasis to spiritual

thoughts. A week-long program of soul-searching sermons and inspiring singing make up our FEBRUARY MEETINGS. The gain derived through attending the morning and evening services will renew your spiritual strength for the weeks and months to come.

When you see the men of Carnegie doing an extra good job of cleaning windows and the girls washing or airing curtains you will know that OPEN HOUSE is not far off. This is the occasion when you will see how the other half lives.

Nothing can compare with the thrill of seeing the sun's first rays burst over the Smokies as the Choir sings "Alleluia, Christ Is Risen." This the scene you will see when you attend EASTER SUNRISE SERVICE in the college amphitheatre.

The All-Girl Chorus and the Men's Glee Club present each spring a musical production.

Spring is officially here when the College student body and many townsfolk make their way to the Amphitheater for the annual MAY DAY PAGEANT. At that time the May Day court is presented along with a dramatization of a fairy tale. Last year we saw Bugs Bunny.

The Y RETREAT takes place in a picturesque mountain setting. This is the time when the old and new cabinets get together to plan the activities for the coming year. Do not let anyone tell you that they do not have a lot of fun, too.

We started by telling you about your first days on the Hill and we end it by telling you about COMMENCEMENT. Classes and exams are over, and the dignified Commencement exercises are at hand. The procession starts with the Daisy Chain and is followed by the Choir, Graduating Class, Board of Directors, and Faculty. It is a happy occasion for the seniors—and yet a sad one, for last goodbyes are very difficult.

The ABC'S OF GOOD DORMITORY LIFE

One of the biggest adjustments you'll have to make at college is that of living with a dorm full of people. It wil require far more understanding and patience than many of you dreamed posible. The oft-quoted Golden Rule applies in a special way here. Remember that the rights of one person are limited so that the rights of another person or group may be respected. We're jotting down a few suggestions here that we feel will be very vaulable to you in making your days in the dorm happy ones.

Everybody who wants to listen to a radio has one of his own, so it won't be necessary for you to play yours loud enough for the people down the hall to hear.

Every night many people in the dorm want and need to do some concentrated studying. You will appreciate it when your neighbors refrain from loud talking, door-slamming, and hall-yelling, and when they observe closed study hours and your "busy" signs; likewise, your neighbors will appreciate these courtesies on your part.

You may enjoy living in a messy room, but to your roommate and those about you it may be obnoxious; so don't wait until time for the yearly Open House to clean up your room.

Guests and visitors often come at the most unexpected times. Always appear properly clad when in the halls; otherwise it can be very embarrassing for an outsider to meet you, and vice versa.

Remember that sincerity and cheerfulness are musts in making and keeping friends. Nothing can brand you quicker than being a perpetual griper, or always making caty remarks about the faculty or other students.

Always keep your conduct in the parlors and public rooms such that others will feel both free and welcome to come in at all times.

If you're not interested in making friends, then you'll

—Monopolize the telephone.

—Sweep dirt into the halls and leave it there.

—Wash your clothes in the bathrooms during the "busy" hours.

—Barge into your friends' rooms during study hours and waste their time and yours as well.

—Get up earlier than most people in the morning and make a general disturbance.

—Use the ironing boards on the floors to do your week's ironing.

—Never clean the tubs, basins, etc., after using them.

—Take supplies from the medicine chest and leave them in your room.

—Borrow extensively from everybody.

Alterations to Rooms

1. Any plans for alterations or improvements in your room must be approved in advance by the Head of your Dormitory, after consultation with the Maintenance Office.

2. Students are held responsible for the condition of their room and furniture.

3. No furniture should be altered or moved from rooms or lobbies without the permission of the Head of the Dormitory.

4. Each student must furnish and use a mattress pad.

Electrical Equipment

1. Since the overloading of electrical circuits is a dangerous fire hazard, clocks, razors, lamps, and radios are the only electrical equipment used in dormitory rooms, and these only after the prescribed fees have been paid (see below).

2. There shall be no meddling with the electric system.

3. Each student shall be responsible for knowing when he is using more than allowed current.

Lights

1. Standard lighting equipment in each room consists of one drop-cord (and one wall-plug in the men's dormitory) and one 150-watt light. For each 50 watts above this allotted amount, a fee of $2.50 each semester will be charged, payable at the Treasurer's Office during registration ($3.50 if late).

2. Lights are to be out in the Freshman-Sophomore dormitories at 11:00 p.m. each night. Warning lights will be flashed at a quarter until the hour for lights to be turned off and again at the hour for lights out. Light cuts for study only may be had in each room twice per week.

Lights in the Junior-Senior dormitory may remain on any night after 11:00 for study purposes only. The same regulations for quiet, each girl in her own room, and light cuts for study only, are in effect at eleven o'clock.

Lights may remain on in all women's residence halls until 12:00 p.m. on Saturday night with the rule for quiet after 11:00 still in effect.

3. Students are asked to turn out lights when leaving their rooms.

Radios

1. A fee of $2.50 each semester, payable at the Treasurer's Office during registration, is charged for each radio. Application for permit is made to the Head of Dormitory. If payment is late, the fee is $3.50.

2. Radios must not be played between 11:00 p.m. and 6:00 a.m.

1:00 — 1:30 p.m.
4:00 — 5:30 p.m.
6:30 — 7:15 p.m.

Permission should be obtained from the nurse before visiting patients.

and placed in the office for the remainder of the semester.

b. Radios in use after 11:00 p.m. will be confiscated and placed in the office for one month.

Your request for a non-student guest must be handled through the office of the Dean of Women.

3. Occasional informal, all-college dances have rules which say "No" to corsages, tuxes, and admission charge. Music is recorded, and the informal note is set.

2. Plans and procedures for initiations must be approved in advance by the Organizations Committee, in accordance with the principles stated above.

Smoking

1. No student is permited to smoke anywhere on the campus. (The "Aztec Ruins" near the steps on the edge of the campus, back of Carnegie Hall, are considered off-campus for smokers.)

2. No student who smokes is eligible for student-help work.

Automobiles

1. No out-of-town student may have an automobile or other motor vehicle while at Maryville College except by special permission given only in unusual cases. This permission is required whether or not parking space on the campus is desired; request must be made in writing through the Personnel Office, before the car is brought.

2. Students living in Maryville who regularly use cars at the College must secure permit tags each year

from the Maintenance Office. Parking spaces will then be assigned to those who park regularly on the campus. (Faculty members also secure permits and parking assignments.)

3. Women students are not permitted to ride in automobiles with men without permission from the Dean of Women. Permission should also be secured from the Housemother for other automobile riding (townspeople, visitors, day students, etc.).

Dress

2. Girls may wear jeans or slacks. but not shorts, when hiking the loop.

3. Men always wear shirts or jerseys, even when playing tennis.

5. Pool-rooms and places selling beer or other alcoholic beverages are out of bounds to students.

6. Each student organization must be approved by the faculty. No secret organization is permitted.

Demerits

These are given by the Executive Council of the Faculty for violation of College regulations.

Dismissal from College

This decision is made by the Executive Council of the Faculty when a student:

1. Accumulates fifteen penalized absences within one semester.

2. Accumulates ten demerits.

3. Is guilty of a serious infraction or persistently fails to cooperate with the general program of the College.

ON GOING TO CLASS

1. Students are advised to keep a personal record of all absences.

2. Excuses for illness or other emergencies must be presented at the Personnel Office within two days after returning to class, otherwise they will not be approved. You must notify immediately the Head of the Dormitory of any situation requiring your absence from classes, chapel, Sunday School, and Church. No excuses will be approved unless you do this.

3. Absences will be authorized for approved College activities, such as scheduled trips for members of the debate squad, choir, band, ball teams, etc.

4. Here is a list of cuts allowed from each class or service that may be taken on your own responsibility when you think necessary. Students on the

honor roll (B average the preceding semester) are allowed one additional cut from each class.

Freshmen and Sophomores

Chapel	3
Sunday School or Church (total of)	3
1-credit hour class	1
2-credit hour class	1
3-credit hour class	2
4-credit hour class	2

Juniors and Seniors

Chapel	5
Sunday School or Church (total of)	6
1-credit hour class	1
2-credit hour class	2
3-credit hour class	3
4-credit hour class	4

The Personnel Office applies a penalty for each "over-cut" taken. Grade points and semester hours are deducted from your total according to the following:

1. For each "over-cut" one-half semester hour and one and one-holf grade points will be deducted from the total credit.

2. For "cuts" within two days before and after a recess or holiday, one-half semester hour and one and one-holf grade points will be deducted for each class missed.

3. Upon accumulating fifteen penalized absences in any one semseter, the student is immediately dismissed from College.

Absences for any cause (allowed, excused, authorized) totaling 25% of the course in which the absences are incurred, debar the student from receiving a grade nigher than D in the course; or totaling 50%, debar from credit in the course.

Meals are served in the Dining Hall on the first floor of Pearsons Hall as follows:

Weekdays: 7:00 a.m., 12:30 p.m., 6:00 p.m.

Saturdays: 7:00 a.m., 12:30 p.m., 5:30 p.m.

Sundays: 8:00 a.m., 12:30 p.m., 5:30 p.m.

Your guests may eat in the dining room by arranging with the Dietitian.

Meal prices are:

Weekdays: Breakfast, 35c; Lunch, 75c; Dinner, 75c.

Saturdays: Breakfast, 35c; Lunch, 75c; Supper, 40c.

Sudays: Breakfast, 35c; Dinner, $1.00; Supper, 40c.

Your tablemates, all seven of them, will appreciate your appearing well-groomed and well-mannered at meals. Take time to freshen up a bit before meals, especially dinner. For Sunday dinner, both boys and girls are expected to wear their "Sunday best."

Try to make conversation table-wide, but remember loud and boisterous talking is in poor taste and is annoying to those at tables nearest yours. At the table acquire a bit of "polish" to your manners. After all, bad manners are not considered cute, and it isn't difficult to say "please" and thank you.

Your waitress has classes and obligations too, so she will appreciate your consideration in getting to and from meals on time.

By all means, you will want to be attentive and reverent during the blessing.

Football Co-Captain ..... Jack Renfro

Greetings, Students,

A hearty "Hi" to all returning students, and a warm welcome to you freshmen. We on the hill cherish the friendly atmosphere and know that it will engulf you. Likewise, we are proud of our Student Government, giving it the center of all campus social life. We trust that you will become a part of it.

To enter into the fun and fellowship of campus life, it is necessary to devote some time to other functions than those of a scholastic nature. By exhibiting enthusiasm and cooperation you can make va'uable contributions to the life on this campus, from the cheers of a football crowd and the enjoyment of Y-work right down to the final laughter and gaiety of Senior Send-Off.

Your individual interest in the work of the Council and your willingness to be a part of campus activities is of utmost importance. It can be a great year for everyone. The Council needs you, and you need the Council.

Why not begin by reading carefully our new constitution found on the pages following. Then when you select your four representatives to Council, you will be able to express your ideas and problems that arise to them. You are entirely welcome to drop in on a Wednesday night session in the Student Center.

Here's hoping you have a happy year, and best wishes for success in all your undertakings!

Sincerely,

Sonny Shackleford

ARTICLE V—Establishing Rules

Section I. The making of the rules of the College and of the dormitories is delegated by the Directors of the College to the Executive Council of the Faculty. However, through approval of the Constitution and other action the Executive Council at present grants to student organizations certain participation in determining what the rules shall be.

Section II. The rules governing dormitory life shall be revised at least once a year, preferably near the close of the fall semester, by the House Committee in each women's dormitory and by the Coordinating Committee, and the recommendations submitted to the Executive Council through the Dean of Students. One or more of the House Committee Chairmen may go to the Executive Council meeting with the Dean of Students to assist in the presentation. Other House rules not in conflict with the rules established by the faculty may be made from time to time by each House Committee.

ARTICLE VI—Penalties

Section 1. In ordinary cases penalties for infraction of dormitory regulations shall be decided and administered by the House Committee; but the Committee may at its discretion refer cases to the Coordinating Committee for advice or recommendation; the Coordinating Committee may refer the case back to the House Committee or to the Dean of Students for faculty consideration.

Section II. Penalties imposed by the House Committee shall be in the form of withdrawal of privileges, but other penalties may be recommended by the House Committee or the Dean of Students for faculty consideration.

ARTICLE VII—Amendments

Amendments to this Constitution may be made when approved by two-thirds vote of the women in each dormitory and by the Executive Council of the Faculty and the President. Proposed amendments shall be posted in each women's dormitory at least one week before a vote is taken.

Approved by the Executive Council of Faculty December 13, 1945. Adopted by Women of the College on January 21, 1946.

BY-LAW NO. 1—House Dues

House dues in the amount to be agreed upon by the residents of the house at the beginning of each semester shall be collected by the House Committee for operating expenses.

BL-LAW NO. 2—Senior Privileges

The proposal is that senior women shall have

several privileges not possessed by underclass women. The purpose is to give students, upon attaining the classification of senior, open recognition of rank.

The provisions are as follows:

1. Each senior woman may have two town nights each week with the same rules in effect as stated in the Student Council Town Night Agreement.

a. It shall be the duty of senior women to report to the Coordinating Committee of WSGA all freshman, sophomore, and junior women taking privileges set aside for senior women, and all senior women infringing upon provisions of senior privileges.

2. Senior women may date in Knoxville on one town night each week and return to the dormitory not later than 11:00 p.m. Groups of two or more women may have the same privilege. Only bus transportation is approved.

3. Senior women shall have the privilege of dating on Sunday afternoon from 2:30 until the supper hour. They shall be allowed to date on campus, walk in the residential section of the city, and sign up for parlor dates. Groups of couples may walk in the College Woods or around the seven-mile loop.

It shall be the duty of the Coordinating Committee of WSGA to impose or recommend the following penalties:

a. Infringement by senior women of any of the above provisions will result in suspension of all senior privileges for four months.

b. Any freshman, sophomore, or junior women taking privileges (without permission) set aside for senior women shall be reported by senior women to whom privileges are allowed.

(1) The infraction by freshman, sophomore, or junior women of the senior privileges of dating in Knoxville, unless authorized to be there, and Sunday afternoon dating shall result in a suspension of the town night for four months of the school year.

(2) It shall be duty of the Coordinating Committee of WSGA to withdraw any or all privileges of a student who does not live up to the general standards or principles or whose conduct is unseemly.

BY-LAW NO. 3—Junior Privileges

1. Each junior woman may have two town nights a week with the same rules in effect as stated in the Student Council Town Night Agreement.

2. The provisions for responsibilities and penalties shall be the same as in By-Law No. 2 for senior women.

3. Junior women shall have the privilege of dating on Sunday afternoon from 2:30 until the supper hour. The privilege is the same as that for Senior women.

College is the place to learn selection and discrimination. Start using this principle when choosing your extra-curricular activities. You must not go to extreme and join every club that comes your way. If you do, you'll soon find yourself all bogged down and your enthusiasm lost in social activities as well as studies.

During your freshman year, pick one or two activities on which to concentrate your efforts. Then, if your grades remain high and you find time for other activities, you'll have plenty of time to become a member of another club later. Remember that such activities as the *Echo* staff and debating take more time each year. Once you have joined a group, try to stay with it through the rest of your College life. If, during your junior or senior year, you feel you are forced to give up something, the least you can do is not to substitute one club for another.

HONORARY FRATERNITIES

Pi Kappa Delta

Maryville has the distinction of having the Tennessee Alpha Chapter of Pi Kappa Delta, national honorary forensic fraternity. Debaters of sophomore classification or above who have fulfilled certain qualifications are eligible to be elected into its membership. Members of this organization are awarded orders and degrees according to rank and achievement. Maryville participates in the Pi Kappa Delta National and Provincial Conventions.

Theta Alpha Phi

Talented dramatic students may, upon meeting certain requirements for membership, be initiated into the Tennessee Delta Chapter of the national dramatic fraternity, Theta Alpha Phi. Members of this organization take a leading part in dramatic activities on the campus; however, opportunity is given to all students to try out for the various plays given throughout the year.

Sigma Delta Psi

Maryville's chapter of Sigma Delta Psi was established in 130. Membership is earned by meeting the requirements of various athletic tests in the presence of a responsible committee.

Alpha Gamma Sigma

Alpha Gamma Sigma was organized in the spring of 1934, for the purpose of motivating high scholarship among students. Its requirements are similar to those of Phi Beta Kappa. Ten percent of the graduating class may be admitted provided the members have a grade point ratio of 7.0, or a B plus average.

OTHER ORGANIZATIONS

Student Volunteers

Student Vols is affiliated with the national Student Volunteers Movement. Vols is a fellowship of students who wish to establish and further a significant concern in the missionary enterprise. It is composed not only of students who are planning to go to the field, but also, and chiefly, of all those who are in any way interested in the mission of Christ's church. The weekly programs (Sunday night after Vespers, usually in Bartlett Hall) present informative

and challenging aspects of the work being done on both the foreign and home mission fields. Regular prayer-fellowship and study groups, a special missionary out-reach project, and socials also have a vital part in the total Vol's program.

Parish Project

The Maryville College Parish was incorporated last year in the new larger parish of the Blount County area. College students are needed in the program to serve as Sunday School teachers and as youth workers. More are needed to preach on Sundays and to teach during the week. Students are given a half-hour credit for this work and they attend weekly conferences for guidance in their program.

Pre-Ministerial Association

The Pre-Ministerial Association, organized in 1900, is open to all students who are planning to become ministers or who are interested in other phases of Christian service. In addition to its regular meetings twice a month the Association shares in planning with the other religious organizations, YM, YW, and Student Vols, the campus prayer meetings and other campus religious programs. Its members are encouraged to engage in some form of service to local missions and rural churches in the vicinity of Maryville.

Writer's Workshop

Literary interest and achievement are the basis for membership in Writer's Workshop. Members are elected from the junior and senior classes and faculty. Each member writes and presents to the group two papers each year for criticism and in turn serves as literary critic.

Bainonian

Varied activities and friendships highlight the program of Bainonian Society. Soon after school starts this year, Bainonian will join her brother society Kappa Phi to present a Rush Week program. Weekly meetings through the year are held in Bainonian Hall.

Theta Epsilon

Organized in 1894, Theta Epsilon Society has played an active part in campus life. The second week of school this year will find Theta and her brother society, Alpha Sigma, presenting their Rush Week. Meetings are held each week in Theta Hall.

Alpha Sigma

Alpha Sigma, founded in 1884, offers men of the College an opportunity to participate in activities that will build true friendships. It enters teams in all intramural sports and holds an annual weekend trip to the mountains, barbecue, banquet, and similar activities. It joins with its sister society Theta Epsilon in producing a dance and a Rush Week program.

Kappa Phi

Lasting friendships are made in Kappa Phi Society, oldest society on the campus. College men appreciate a society that brings them a varied and interesting social program and also active participation in the College's intramural program. Kappa Pi joins Bainonian, its sister society, in its annual Rush Week program and holds weekly meetings in its society room.

Christian Education Club

Maryville's newest campus organization — the Christian Education Club — was formed for the purpose of giving an opportunity to prospective Directors of Christian Education and church workers to become familiar with various skills needed in the field. This is done through a program of lectures and laboratory periods. The club is open to all those interested.

International Relations Club

Maryville's I.R.C. is affiliated with the Association of International Relations Clubs. Its purpose is to stimulate an awareness of current international affairs. Student-led programs include movies, speakers, and discussions on such pertinent topics as Indo-China, Israel, and South Africa.

Pre-Med Club

To anyone who is planning to go into medicine or nursing the Pre-Med Club offers an excellent chance for hearing lectures on medicine and related fields from various prominent members of those professions.

Often there are student participation programs or selected short movies. The club meets twice a month throughout both semesters and interest is the only prerequisite to membership.

French Club

The French Club is composed of thirty members who are taking French and who qualify for membership by scholarship and interest. This club features semi-monthly programs of French songs, games, movies, and plays, and holds occasional socials.

German Club

All College students who are interested in German culture, regardless of whether or not they are German students, are eligible for membership in the German Club. Regular meetings are held

twice a month to stimulate interest and arouse participation in different phases of German culture.

Spanish Club

The limited active membership of thirty plus all native Spanish-speaking students on the campus are elected from applicants who are interested in the activities of the Spanish Club. Beside the semi-monthly evening meetings at which are presented programs of language, customs, culture, music, dance, and use of audio-visual equipment in the language labortory, there are an outdoor picnic and a Christmas party featuring the Spanish pinata. All Freshmen are invited to visit the club when they arrive on the campus.

"M" Club

"M" Club is the girls' athletic club of Maryville College. Membership is attained by making a total of 400 or more points through participation in what is known as Women's Varsity. In addition to athletic activities two hours a week, the members meet monthly for business discussions and enjoy an athletic activity together. The high spot of the club's activities is the weekend hike in the Smoky Mountains once each semester.

Men's "M" Club

The Men's "M" Club is open to all varsity lettermen, and male members of the coaching faculty. The purpose of the organization is to further the bonds of athletic brotherhood on the Maryville campus, to be of service to the school and the athletic program, and to increase loyalty to the best interests of the College.

Disc Club

The Disc Club was organized in 1936 to encourage music appreciation. Its organization is very informal, and all students who wish are considered members. Half-hour programs of music representative

of various periods and styles are presented twice monthly after the evening meal.

Future Teachers of America

Jasper Converse Barnes Chapter of the Future Teachers of America was organized in the spring of 1949. All students planning to teach are eligible for membership in this club which is affiliated with the National Education Association.

B. G.

This is a small club of eight campus girls who keep the meaning of their initials a secret. At the end of each year two freshmen and one sophomore are elected members. Originally organized for hiking, the club today is purely social.

Business Club

The Business Club was formed for the purpose of promoting a better understanding of sound business practices and to give its members a wider acquaintance with the various fields of business and the opportunities and possibilities that they offer. This is done through semi-monthly meetings at which different business leaders talk to the group and films on various phases of business are shown. Although membership is limited to majors in business administration and economics, its meetings are open to anyone interested in the field of business.

Music Education Club

The Music Education Club is affiliated with the Music Educator's National Conference as Student Members Chapter 383. Membership is open to all students interested in teaching music. Meetings are held the first and third Thursdays of each month.

CAMPUS PUBLICATIONS

Opportunities for creative writing are offered through the various college publications. Many who are interested in journalism gain valuable experience by serving on the staff of the college newspaper.

Highland Echo

The *Highland Echo* is the college newspaper, usually published weekly Freshmen and other new students are welcome and urged to try out for staff positions if they are interested. At the end of each college year, staff promotions are made on the basis of writing, interest, and dependability. The *Echo* constitution limits the number of staff members from each college class. The editor is elected by the staff, and is usually a senior. Chief purpose and policy of the *Echo* is to present campus news as interestingly and as thoroughly as possible.

Chilhowean

The *Chilhowean is* the annual year-book which is published by members of the junior class. It gives a vivid account in pictures of the outstanding events of the year as well as individual pictures of almost all of the student body.

Alumni Magazine

The *Alumni Magazine* sends news of the College and alumni to former students of the College. It is published quarterly by the Alumni office.

M Book

As you have already discovered, the *M Book* is the little volume you are now reading. It is published every year by the YMCA and YWCA and is the official College handbook. College rules, customs, and activities are described within for the student's benefit.

If you have any musical ability whatsoever, be it singing, blowing a tuba, or playing a violin, there's ample opportunity at Maryville to develop those talents. The musical program gets in full swing with the performance of the marching band at the football games and ends with the choir's final anthem on graduation day. Recitals which anyone may attend are given from time to time by music students and faculty.

Vesper Choir

The Vesper Choir provides good training and genuine pleasure for those who are interested in singing. It is composed of about sixty members who must pass rigid tryouts before they are accepted. The group participates in the weekly vesper services and the daily chapel programs as well as presenting special programs in Maryville and surrounding cities. The choir has sung in many cities of the East, Midwest and South.

All-Girl Choir

The sixty girls who compose this group are selected by tryouts each semester. They replace the Vesper Choir at the Sunday evening service a number of times a year. In the fall the Girls' Choir combines with the Men's Glee Club to present a sacred concert, and in the spring the combined groups present a program of scular music.

Men's Glee Club

This group consists of about forty men, but additional members may be admitted by tryouts each semester. The sacred concert in the fall and a secular program in the spring are the highlights of the year's activities for the Glee Club.

Band

The students who enjoy playing a musical instrument are urged to try out for the College marching

band. The band, numbering about fifty pieces, plays for all the home football games and takes one out-of-town trip with the team. For freshmen and sophomores the marching practice takes the place of the physical education requirement. When football season is over, the marching band reorganizes as a concert band, which gives an outdoor concert during the last few days before commencement. Don't take the chance of not having an instrument for tryouts; bring it along with you this fall.

As befits true "Highlanders," the band is uniformed in authentically styled kilts of imported Scotch wool. They make a striking appearance on parade and are the pride of the campus.

Orchestra

Orchestra members are admitted and placed by tryouts each fall. They gain valuable experience in presenting two concerts of classical numbers annually and accompanying "The Messiah." Their spring concert features an outstanding music student playing a well-known concerto.

Tau Kappa Chi

This is a musical organization for students who either are music majors or are taking applied music. Its purpose is to promote student and community interest in music. The aims are to raise the general academic standing of those enrolled in music; to provide a goal for all students interested in music; to promote thoroughly trained musicianship; and to further the understanding of all types of music. A general average of B for the last two semesters is required for membership.

String Ensemble

The String Ensemble is open to al string players in the orchestra. Various programs are given throughout the year, both on and off-campus. Programs last year included playing intermission music for "Pygmalion," a program at a local high school, and a regular music hall concert.

DRAMA AND DEBATE

Playhouse

The Maryville College Playhouse originated in the fa l of 1949. In addition to those who are qualified as Players, there are many Apprentices working toward the position of Player. Three outstanding plays were presented last year: in the fall, "Street Scene"; in the spring, "She Stoops To Conquer" was presentd; and the Commencement Play was "Pygma ion."

Besides the major plays the Experimental Theatre gives several one-act plays during the year.

Debate

Through the years Maryville has had an outstanding record in debating and other speech activities. Debating is an excel'ent extra-curricular activity in that it develops ability and effectiveness in speaking, encourages interest in world affairs, teaches one to reason logically, and provides a sense of achievement for a job we'l done. It will be especially valuable for those planning to enter the ministry or law professions.

The varsity squad is coached by various faculty members. All students be'ow senior classification are urged to come out for debate. The sole requirements are interest and willingness to work. Returning debaters are composed of students of the three upper classes. That many return year after year should be proof enough of the worthwhileness and rewards of debating.

Every boy has at one time or another dreamed of being a star in some sport. At Maryville there is a fine chance of making that dream a reality. Maryville is very active in intercollegiate sports and also maintains a well organized intramural sports program for those who wish to participate. For the girls there is a well-developed point system whereby thy may earn a sweater with an "M" or an "MC" monogram. No one is permitted to wear other school letters at Maryville.

Maryville does not buy her athletes. Those who participate in inter-collegiate sports earn their places on the teams by physical prowess and acceptable scholarship

Intercollegiate Athletics

Maryville is known for her strength in minor sports. She competes with the best colleges and universities in the field. In past years Maryville has placed high in wrestling in the Southeastern AAU Tournament. The tennis team compiled an excellent record, winning all intercollegiate matches but four. The cross-country team came through the season with a good record.

In major sports Maryville holds her own with colleges of the same size. Through the years she has had good records in baseball, basketball, football, and track.

Let's all support our teams enthusiastically, win or lose, because school spirit is part of Maryville's athletic program, too.

Every man has a chance to participate in non-varsity sports through the intramural program, which devolops social traits as well as physical fitness. The program includes touch-football, soccer, volleyball, basketball, swimming, wrestling, track, softball, tennis, golf, ping-pong, badminton, and cross country. The physical education requirement consists of two hours a week of regular gym classes for freshmen, while sophomores may either attend classes or participate in intramurals. Although not required of juniors and seniors, many upperclassmen take active part in the fun and recreation which these sports provide.
